Energy class: E

- Scandinavian minimalistic design
- Moodmaker™ 3-step dimmable on wall switch
- With acrylic diffuser
- 5-year LED guarantee

Simplicity, minimalism and functionality characterize the Balance series. The clean lines, round shapes and matte black metal contributes to an elegant expression with associations to the stylish Nordic decor. The light spreads beautifully throughout the screen with an even glare-free light, and furthermore the Balance series is equipped with a built-in step dimming function, allowing you to adjust the light from your regular wall switch.

The balance pendant has a slim design, so it does not cut the visibility or take up any unnecessary space in the room. The large illuminating surface provides a good downward light which is advantageous above the dining, kitchen or coffee table.
