# WISKA UK Ltd E-Spring

## Earthing Solutions COMBI E-Spring

Material stainless steel, earth spring (single)  
with earth lead, sold in packs of 5

## E-Spring - Earthing Solutions

Introducing the E-Spring by WISKA.

A simple, quick and secure solution for earth continuity of SWA cable with BW/CW cable glands. Single earth solution made of stainless steel available in M20 and M25 sizes.

Simply pinch the eyelets to widen the E-Spring, place over the thread of the gland and release the eyelets to tighten.

Kit includes earth lead and nut and bolt. Sold in packs of 5.

Type	Colour	Code	Size	Qty
COMBI E-Spring	Steel	E-SPRING20	1 x M20	5
