E-Nut

Earthing Solutions COMBI E-Nut

Material brass, earth nut (single) with earth lead, sold in packs of 5

E-Nut - Earthing Solutions

Introducing the E-Nut by WISKA.

A simple, quick and secure solution for earth continuity of SWA cable with BW/CW cable glands. Single earth solution made of brass available in M20 and M25 sizes.

Simply place E-Nut over the thread of the gland, place earthing lead eyelet into the gap and tighten the nut and bolt to secure.

Kit includes earth lead and self tapping screws. Sold in packs of 5.

Type	Colour	Code	Size	Qty
COMBI E-Nut	Brass	E-NUT20	1 x M20	5
COMBI E-Nut	Brass	E-NUT25	1 x M25	5
